What is the Senior Reassurance Program ?

The Senior Reassurance Program was developed to aid our senior citizens that did not have a family member close by to check on them. The staff of the Weaverville Police Department contacts the participants of the Program on a daily basis.

The staff occasionally will help with other duties that the citizens cannot attend to themselves, such as going to pick up their medicine from the pharmacy, batteries for smoke detectors or maybe even going to the grocery store.

ENROLLING IS SIMPLE

- Complete the attached application
- Staff will enroll you in the program
- Each day you will receive a telephone call to ensure that you are okay and don't need any assistance
- Should you not answer, a Weaverville Police Officer will be sent to your residence.
- The program is free of charge to residents of Weaverville and continues until you no longer wish to participate
