Conditional Zoning Districts address situations in which a particular use, properly planned, may be appropriate for a specific site but, the existing zoning district of the site has insufficient standards to mitigate the site-specific impact on the surrounding area.

Uses which may be considered for a Conditional Zoning District shall be established on a case-by-case basis at the request of the property owner. Conditional Zoning Districts are not intended for securing early or speculative reclassification of a property.

A Conditional Zoning District shall be defined as a zoning district in which the development and use of the property included in the district are subject to predetermined ordinance standards, regulations, and conditions imposed as part of the legislative decision creating the district and applying it to the particular property. If the use of an approved Conditional Zoning District ever changes, a new proposed use and plan must be submitted for review by the Town Council.

A fee of \$350.00 shall be paid to the Town of Weaverville for each Conditional Zoning District or rezoning request. During review of the request, all additional costs incurred by the Town above the initial fee of \$350.00 shall be the responsibility of the applicant.
