All applications shall be accompanied by a general site plan drawn to scale and containing all elements deemed necessary to ensure compliance with the code of ordinances as determined by the Zoning Administrator.

Prior to submission of the application and site plan, all property corners shall be in place and proposed buildings and structures shall be accurately located upon the lot by stakes or other acceptable means.

It is the applicant’s responsibility to obtain a copy of the Town of Weaverville Planning and Development Ordinances and to be fully aware of the regulations detailed therein.

Appropriate measures shall be taken to control erosion and sedimentation related to construction or any other land disturbance activity. Properties found to be noncompliant with municipal ordinance or other local or state rules and regulations may be subject to permit revocation or civil penalties issued to the property owner. Additional information related to erosion and sedimentation controls can be obtained upon request.

I certify that the above information is accurate and true and that I am the owner or a duly appointed agent of the owner.
