

The Town is seeking public input on a reconfiguration of Merchants Alley to ensure that this public street is fully open for emergency access, sanitation trucks, and normal vehicular traffic in a way that will reasonably accommodate the needs of the area businesses and residents. Several options have been identified and public input is requested.

Options will be available for review in the **TOWN HALL LOBBY** from September 8 through September 14, during normal business hours, and during Town Council's meeting on Monday September 14 at 6pm. Please drop by Town Hall or attend the Town Council meeting and note your preference on the options.

MERCHANTS ALLEY
PUBLIC INPUT & DISCUSSION
Monday September 14th at 6 pm
Community Room/Council Chambers at Town Hall
30 South Main Street, Weaverville

Town Council's meeting on Monday September 14 at 6pm will include public input on Merchants Alley. Area businesses and residents are encouraged to attend to make their preferences known and to listen to Town Council's discussion.

Contact Jennifer Jackson for more information: jjackson@weavervillenc.org or (828)645-7116

Merchants Alley is a Town street that runs parallel to Main Street and behind Main Street businesses between the intersections of Merrimon Avenue and Main Street and Florida Avenue and Main Street.
